Dear Valued Clients:

After much contemplation, I have decided that as of January 1, 2019, my rates for service will be increasing by approximately 5%.

This will be the first increase in fees since opening my practice in 2012. Due to increasing operating costs, and stagnant or decreasing insurance reimbursement rates, I have come to this difficult decision. I will continue to offer sliding scale fees for those who need it.

My new rates will be as follows:

- * 75 minutes Individual or Family Initial Visit: \$130
- *45-50 minutes Individual or Family Follow-up Visit: \$95
- *55+ minutes Individual or Family Follow-up Visit: \$115
- *Group Session (when available): \$40
- *Telephone Calls (in excess of 10 minutes): \$50/hour
- *Letter Writing/Clinical Summaries: \$50/hour

Please feel free to bring this topic up for discussion when we see each other next. And thank you for your understanding.

Sincerely,

Lisa Dumain, MSW, LCSW
